Further Information Applicable To All Mortgage Products**Our Standard Variable Rate (SVR)**

With effect from 28 December 2008 our standard variable rate is 4.99%. The overall cost for comparison is 5.3% APR.

Annual Percentage Rate (APR)

This is a figure which all lenders must quote when referring to mortgages. It is designed to show the total yearly cost of a mortgage stated as a percentage of the loan. It includes items such as the interest rate payable at the start of the mortgage, product fee, valuation fee, Mortgage Fee and CHAPS fee. It is the overall cost for comparison purposes. This figure is intended to help customers to compare the overall cost of different loans.

Collared Bank of England Tracker products

A minimum interest rate (the collared rate) applies to the Bank of England Base Rate (BoE) Tracker products in this factsheet. The minimum interest rate charged during the tracker period will not fall below the interest rate payable, as shown for each product, on completion. For example: Product 2.44% variable (BoE+1.94%) to 28/02/14. The minimum interest rate charged (the collared rate) will be 2.44% until 28/02/14.

Loan to value (LTV)

This is the amount you borrow for your mortgage as a percentage of the purchase price of the property or the valuation (whichever is the lower). A lower maximum LTV may apply dependent on loan size. Please ask for further details.

Product Fee

If a product has a fee of 0.25% of the loan amount, this fee is added to your mortgage on completion. Interest will be charged on the amount of fee added which will be collected as part of the monthly mortgage payment unless you pay the fee in full on completion or shortly afterwards.

Early Repayment Charge (ERC)

In the event of part or full repayment or transfer to an alternative product or our standard variable rate, on or before the end of the ERC period, an ERC is payable. The ERC is calculated at the rate applicable for the year in which the repayment or transfer occurs and is based on the amount repaid.

For example: £100,000 is borrowed on a 2.99% fixed rate product until 28/02/14. If you decide to repay this mortgage in full before 28/02/14, and the balance outstanding on the day of redemption is £98,000, the ERC will be 3% x £98,000 = £2,940.

The exception to this is that you may repay (part or lump sum) up to 10% of the outstanding loan amount in each 12 month period (calculated from each anniversary of completion of your loan) without incurring an ERC. Any amount repaid over the 10% limit (including policy proceeds such as maturing endowments) will incur an ERC of the percentage specified on the excess amount.

For example: If £100,000 is outstanding on the first anniversary of completion of your loan, you can repay up to £10,000 (10%) in the following 12 month period without incurring an ERC. If you decide to repay more than this e.g. £15,000, you will incur an ERC of the specified percentage on £5,000 as this is the amount in excess of the 10% limit.

Mortgage Advance Transfer Fee (CHAPS)

On completion of your mortgage with the Barnsley, we will release the mortgage funds electronically and our current charge for this is £23.50

A small charge may also be payable to your legal adviser to redeem your existing mortgage if applicable.

Mortgage Fee

A fixed Mortgage Fee of £90 payable on redemption of the loan.

****Minimum Loan Amount**

For products that have a stated minimum loan size of £25,001, this is reduced to £3,000 for existing Barnsley borrowers using portability.

For products that have a stated minimum loan size of £75,000, this applies to the total loan. However, if more than one product is being taken, the minimum amount available on any one product is £25,001 (this is reduced to £3,000 for existing Barnsley borrowers using portability) The total loan must still be at least £75,000.

Maximum Loan Amount

Where the LTV (Loan to Value) is lower than 75% we will consider loans above the amount of £1million by means of a referral to our Lending Risk department.

Mortgage Offer, Acceptance and Completion

To qualify for one of our mortgages, any mortgage offer that we may make has to be issued within three months of the date of your application, and your mortgage must be completed within three months of the date of offer. If either of these deadlines is not met and the product you applied for has been withdrawn, you will need to select a new mortgage product and pay the product fees applicable to the new product.

A mortgage is subject to the mortgage conditions and mortgage loan terms, copies of which will be given to all applicants when a mortgage offer is issued. **These terms and conditions take precedence over information contained in this factsheet or any other information given to you.**
