Payment Transactions - Timescales, Charges & Fees

BACS payments will be credited to the receiving account three working days after the day that we process a payment. The cut-off time for processing BACS payments at our branches is 5pm, and 8pm for payments processed at our ATMs or via our website.

CHAPS

Any payment requests will be carried out on the day of receipt provided the completed CHAPS request is received at our Head Office before midday on any working day (except Saturdays). Request forms received after 12 noon will be processed on the next working day.

The funds will normally be credited to the receiving account on the day the payment is processed, though this timescale is subject to certain other factors outside our control (e.g. the need for further checks or additional information and legal or regulatory action) and transactions cannot be guaranteed.

Foreign Money Transfers

The electronic funds transfer service is provided in association with American Express (Amex) who will use agents and correspondent banks to fulfil the request. Payment requests will be executed on the day of receipt provided the completed Foreign Transfer request is received at our head office before 3pm on any working day (except Saturdays). Requests received after 3pm will be processed on the next working day.

A foreign money transfer will normally reach the receiving bank two working days after the day that we process the transaction though this may vary depending on external factors (such as overseas bank holidays, the need for checks or additional information and legal or regulatory action) and cannot be guaranteed
